or tablet!**

LiteracyPlanet has a fun
word-building game
called Word Morph.

Word list

Team or student name: _____

Score: _____

1 point for 1 - 2 letter words, 2 points for 3 - 5 letter words,
3 points for 6 - 7 letter words, 4 points for 8 - 10+ letter words.

Words built	Score

How to play

1. Print out 2 or more copies of the "letter sheet".
2. Form groups of 3-4 and name the teams.
3. Print out the "word list" and give each team a copy.
4. Give each team copies of the "letter sheet" and cut out each letter tiles. Acknowledge the difference between the vowels and consonants.
5. Put a timer on for 10 mins (increase or decrease this time based on the level of English skills) and ask the students to form as many words as they can and write it on on the "word list" sheet.
6. When the time is up, collect the "word list" sheets from each team and count their scores based on the point system below.
7. Identify the winners and play again!

Points system:

- 1 point for 1 - 2 letter words,
- 2 points for 3 - 5 letter words,
- 3 points for 6 - 7 letter words,
- 4 points for 8 - 10+ letter words.

Did you know?

LiteracyPlanet has a fun word-building game called Word Morph! Students swap out letters to create new words. The faster they are the more time and points they get!
