How to play

1. Form teams of three or four.
2. Print out the activity sheet for each team. One student in the team can be nominated to write out the words in each round.
3. The teacher can pick a letter. The students just need to think of one word in each category that starts with that chosen letter and complete the column as quickly as possible.
4. Give an example line of answers for the first time you play with a new group.
5. The first team to finish shouts 'Stop the Bus!'. That means, pens down for everyone.
6. The teacher will check their answers to ensure it is spelled correctly and it makes sense.
7. The teams get 1 point for each correct word (and optional 2 points for a word that no one else thought of in the class). Add up the first rounds' points at the bottom of the table.
8. Play round 2, 3 and 4 then add up the total points to determine the winning team!
