Azzan Bin Qais International School

### Why Azzan Bin Qais International School chose LiteracyPlanet

Azzan Bin Qais International School is a private school located in Muscat, Oman, that caters for students ranging from Kindergarten to Grade 12. The school aims to provide a caring environment which fosters the educational, social and cultural development of all students, which in turn allows them to reach their maximum potential.

At Azzan Bin Qais International School, technology is a crucial part of teaching processes and eLearning is integrated into daily life for all students at the school. Students have access to a range of digital resources, with a view to support their learning journey.

Azzan Bin Qais International School found LiteracyPlanet to be the perfect fit for the needs of teachers and students, and one of the best programs it's incorporated into learning practices.

Teachers at Azzan Bin Qais International School have appreciated how easy LiteracyPlanet is to use, and how economical it's been. They also appreciate how exercises are perfectly aligned to the curriculum. Students are fully engaged with the program and have enjoyed the challenge of completing LiteracyPlanet exercises and seem to appreciate the wide variety of exercises available.

## How the school uses LiteracyPlanet

Teachers at Azzan Bin Qais International School have been incorporating LiteracyPlanet into all classes from Kindergarten to Grade 8, and have found great success using the program.

Classes at Azzan Bin Qais International School are structured in a manner which sees students using LiteracyPlanet at least once in every nine-day teaching cycle and students are also permitted to use the program on an unlimited basis as a study resource when they're at home.

Azzan Bin Qais International School predominately employs LiteracyPlanet to support spelling and comprehension lessons.

Exercises are assigned by class and by individual student and teachers have noted this degree of differentiation has been able to create strong results in class. The response to the program has been overwhelmingly positive and students genuinely enjoy using LiteracyPlanet in and out of class.

“The options are also incredible and the differentiation factor lays a significant role.”

## Positive student outcomes

Teachers at Azzan Bin Qais International School have already observed a range of positive outcomes in the English literacy abilities of students who have engaged with LiteracyPlanet.

LiteracyPlanet has also been found to be a crucial resource for students with learning difficulties, who struggle with conventional resources. The colourful, gamified style of learning offered by LiteracyPlanet gives these students an opportunity to engage and focus on complicated aspects of their English literacy learning.

“My favourite part of the cycle is LiteracyPlanet!”
