المدرسة الإنجليزىة الحديثة

The school chose LiteracyPlanet to improve student literacy skills and increase the level of engagement in learning.

“

Very informative when focusing on concept areas. The children enjoy the tasks as they are like games and it can be used on both a computer and tablet.

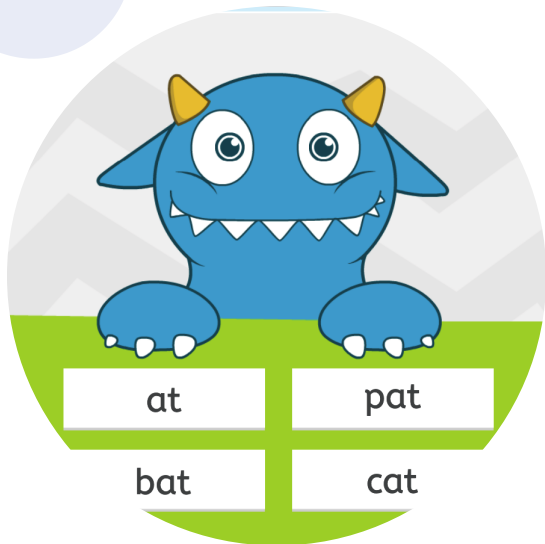

”

Melissa Moodley, Primary School Teacher
at New English School (Kuwait)

Here's why they chose LiteracyPlanet.

New English School (Kuwait) was the first private, co-educational day school in Kuwait to offer a British style curriculum from Kindergarten to A level. The school was looking for a digital literacy resource to improve student literacy skills and increase the level of engagement in learning. New English School (Kuwait) found LiteracyPlanet to be the perfect fit for the needs of teachers and students, and one of the best programs its implemented.

How the school uses LiteracyPlanet to improve literacy outcomes

New English School's (Kuwait) classes focused on spelling and comprehension which was easily implemented via LiteracyPlanet. The teachers could assign a variety of spelling and comprehension activities suited to each student's literacy levels. Primary School Teacher, Anna Awad said that "LiteracyPlanet motivates the students to learn in an interactive manner and they absolutely enjoy Word Mania and the challenge it sets for them."

“

I really enjoy the spelling activities as they help me learn my words and do well on the spelling test.

”

Ahmed Mohammed, Student
at New English School (Kuwait)

LiteracyPlanet was used in many different ways. Teachers use the teaching content throughout their planning in order to heighten the level of interaction with the children. Individual tasks are set using the customised spelling feature. The students thoroughly enjoy the range of activities available and an improvement in their spelling is also evident. The spelling activities are engaging and motivating for students who struggle to retain their spelling words.

LiteracyPlanet was engaging for students at New English School (Kuwait)

Student eagerness and desire to complete activities involving spelling and comprehension were evident. Students arrived at the school requesting particular activities as they either enjoyed the activities or simply found pleasure in feeling motivated to learn. As a student at New English School (Kuwait) said, "I like how we can both learn and have fun at the same time!".

“

It makes it easy to set appropriate tasks and it is very user-friendly.

”

Zoe Heath, Primary School Teacher
at New English School (Kuwait)

LiteracyPlanet was easy to implement

LiteracyPlanet is enjoyed by the teachers as it is simple to use and navigate around the site is self-explanatory. It is also quick and easy when you want a quick task or if a simple target area needs to be addressed in literacy, there seem to be activities that are easily accessible.
