ODDEYRARSKÓLI

The school believes LiteracyPlanet was the exact tool the school needed to improve English literacy outcomes.

“

I saw it at a conference and absolutely loved it. We had been looking for online materials for English as a second language and LiteracyPlanet met our needs.

Here's why they chose LiteracyPlanet.

Oddeyrarskóli Elementary School likes to incorporate technology into their lessons as they ensure all students are equipped with the right technical skills to support their future. As English is usually the second language learnt at the school, it was important that the school had the right programs to support the teachers, especially with English literacy. The school also wanted a program that the students will enjoy and LiteracyPlanet was exactly what the school was looking for.

How the school uses LiteracyPlanet to improve literacy outcomes

The teachers at Oddeyrarskóli Elementary School guides the students in completing the Missions where fun literacy activities are already set in the system at their year level for them. LiteracyPlanet was especially helpful for ESL students with their vocabulary and writing skills. The teachers also found assigning their students' spelling list exercises that were grouped in word families' very helpful. As those spelling lists are prepared and easy to assign, with a click of a button.

“

LiteracyPlanet's spelling lists that were grouped in word families were very useful for us. It gives us the opportunity to focus on very specific aspects of the English vocabulary. ”
