

## St Constantine's International School (Tanzania)

Location: Arusha, Tanzania

Type: International School

Students really love the motivating and challenging tasks they are presented.

“

Our Teachers enjoy the ease of differentiating tasks on the LiteracyPlanet platform.

”

Vicky Fisher  
Primary English Coordinator and Teacher

## Here's why they chose LiteracyPlanet.

In 2018, St. Constantine's won a 6-month subscription to LiteracyPlanet as a result of their participation in the Word Mania competition. After trialing it in class, they saw firsthand, the many benefits for the children, so they decided to purchase it so that they could keep the benefits going.

The school uses LiteracyPlanet alongside the Cambridge Curriculum.

Being an international school, St Constantine's International School uses LiteracyPlanet alongside the challenging Cambridge curriculum to support their students in their English Literacy learning journeys.

“

We have had a special focus on both the spelling and comprehension strands.

”

Vicky Fisher  
Primary English Coordinator and Teacher

# LiteracyPlanet improves literacy learning outcomes of St Constantine's International School students.

St Constantine's expects that LiteracyPlanet will get their students more engaged, while also supporting the wide variety of levels of student learning among the student group, like helping support the lower attaining children more effectively as well as challenging the high attaining children at the same time.

“

Students really love the motivating and challenging tasks they are presented. They enjoy competing with their friends and seeing their own scores as they progress through their missions.

”
