

## Case Study

### Salahaldin International School

Location: New Cairo, Egypt

Type: Co-educational International Private School

**SALAHALDIN**  
INTERNATIONAL SCHOOL

With the recent events digital resources proved their importance one more time.

“

The students particularly enjoy the comprehension, grammar and punctuation exercises in the program. The automatic-marking feature helps students understand what answers they got wrong in an effective way.

Zehra Aksu Bakay,  
Head Teacher

### Here's why they chose LiteracyPlanet.

Salahaldin International School was one of the first international schools in Egypt with over 1,400 students from Kindergarten to Grade 12. The school embraces its multicultural nature with students from 26 different nationalities. The school follows United States' education system and uses English as its primary language. As a school that values online education and uses English as its primary teaching language, LiteracyPlanet was the online resource that ticked all the boxes.

## How the school uses LiteracyPlanet to improve literacy outcomes

The teachers at Salahaldin International School embraced online learning with their students. In particular, the sight words, spelling and grammar exercises which were highly popular with the younger students. Teachers are keen to learn more about the Teacher Dashboard with endless capabilities like curriculum alignment tools and analysing improvement reports.

“

LiteracyPlanet's spelling and sight word activities were so popular with the students that we had parents mentioning how addicted their children were to the game. Some parents also brought up how they appreciated the audio books.

”

Zehra Aksu Bakay,  
Head Teacher

“

The program was popular with students of all personalities. We had a student who would usually drag his feet to complete assignments but with LiteracyPlanet it was a breeze.

”

Head Teacher

# LiteracyPlanet was engaging for students at Salahadin International School

The kids at Salahadin International School loved using LiteracyPlanet for all literacy strands. The fun mission-based activities allowed for fun classroom time whilst learning. Both teachers and parents saw how engaged students were when using LiteracyPlanet.

“

LiteracyPlanet taught one of my 1st Grade students a new skill – alphabetical ordering. It was wonderful to see her learn that through a program!

”

Zehra Aksu Bakay,  
Head Teacher
